## EXPERIENCE

### NAIRABOX | MOBILE APPLICATION DEVELOPER

Nigeria-Remote | February 2023 – August 2023

- Tracked post-deployment bug reports to recognize and resolve trends among user-reported faults and complaints.
- Partnered with marketing and sales teams to incorporate app components likely to increase sales and revenue production.
- Reviewed code, debugged problems, and corrected issues.

### SIMBA | MOBILE DEVELOPER

Nigeria-Remote | September 2022 – July 2023

- Employed full-stack development tools to produce holistically envisioned applications for IOS and android devices.
- Cultivated app template libraries to streamline application production during commissioned engineering projects.
- Presented proposals to senior engineers and developers outlining enhancements designed to improve usability and increase potential ROI.

### LIFEE REMIT | FULL STACK DEVELOPER

United Kingdom-Remote | September 2022 – Jan 2023

- Developed and maintained microservices architectures using Docker, Kubernetes and OpenShift.
- Optimized web applications for speed, scalability and security.
- Used NodeJS, ORM and No-SQL to develop and manage databases.

### AFRIC WEDDINGS | FULL STACK DEVELOPER

Nigeria-Remote | July 2021 – November 2022

- Worked with back-end developers to design APIs.
- Worked with the project manager to identify and prioritize tasks, and deliver projects on-time and within budget.

### LUTAJ VENTURES | BACKEND DEVELOPER

Nigeria-Remote | October 2020 – July 2021

- Collaborated with multidisciplinary team of designers, developers and system administrators.
- Created enhancements to resolve client problems and meet operational standards.
- Authored code in JavaScript within NodeJS framework with a MongoDB Database.

### FREELANCE | FREELANCE WEB DEVELOPER

Nigeria | January 2019 – September 2020

- Designed and developed basic web pages using HTML, CSS, and JavaScript, following best practices and standards.
- Continuously learned and stayed up-to-date with emerging web development technologies and frameworks.
